## REVIEW

The new (the fourth) collection of papers published by M.A. Dobrivoje Jovanovi „The Past“ successfully the stable conception of this publication, which from its first issue holds prominent position in the current Serbian historiographical periodicals.

Productive archival adviser M.A. Dobrivoje Jovanovi , is the only author of all the papers, which deal with the topics mostly from military, educational, political and social history of Jagodina and Pomoravlje. They cover the time line from the beginning of the 19th century till the middle of the 20th century, and in this issue of his unusual periodical author's publication, he managed by using most of the aspects of modern historiography, on the best possible way, to successfully respond to all the challenges of modern creativity and once again prove himself as significant Serbian and Jagodina' historian.

This issue is opened by the paper „Battle of Ivankovac“, and the motive is the 210th anniversary of the mentioned important rebel battle (and victory), which represented a unique transition of rebellion against Dahiyas into more serious stage, The First Serbian Uprising. With many facts and details, the author completely showed this event from our native place, emphasizing its place and significance at the beginning of the Serbian revolution.

Then there is an authentic text, without comments, entitled „Census from 1844“, where author repaid to his ancestors. The. The next paper „Elementary schools in Para in county 1870“, it's based on the report of the school supervisor Svetislav Vulovi , the professor at Belgrade Great School, which is kept at the SANU archives.

There is also a supplement called „The speech of Dimitrije Kati about the railway contract in the National Assembly on the 6th March 1881“, delivered from „Self-management“, body of the National Radical Party, which represents significant supplement to the biography of this prominent Resava's national tribune.

Very thorough and original paper, entitled „Radical Party in Jagodina and uprija's County till the First World War“ represents the highest research activity of M.A. Jovanovi , who managed with the help from the archives, extracts from the press and relevant literature, to completely show the development of the first organized political party from the setting up till the beginning of The First World War, on the territory of Pomoravlje, Resava and Leva .

The next text „has a similar subject matter and significance where we can find many new facts related to the troubled political past of Serbian people in the 19th century and the roles of Pomoravlje's branches of former political parties. Then there are two supplements from the education history „Elementary schools in uprija county in 1889/90“ and „Supplements for the history of high schools in Morava County“, which will certainly serve to the future researchers of the Pomoravlje's educational system.

In the end, the author presents three papers from our recent history, to be precise from the Second World War. The first paper, entitled „Was there a fight near Crooked

bridge in September 1941?“, with arguments and first of all by convincing archives, it proves that one partisan’s action on the road Jagodina-Bagrđan, has never actually happened, even though a monument erected dedicated to this battle. The next two texts „Sources for the Second World War in Pomoravlje County“ and „Welcome to Soviet soldiers in Para in in October 1944“ give the new perspective on war events, up to now subjectively interpreted.

All in all, summarizing all supplements from the new „Past“ we can conclude the following-all papers are based on original archives, former press and adequate and available literature. Author except synthetic supplements where he showed all his archival and scientific willingness and cleverness, based on experience and erudition, presented a few texts in authentic form, without any comments, leaving them to speak for themselves.

In that way this collection became the textbook of selected historical sources related to recent history of Pomoravlje, Resava i Leva .
